

## **Be part of our heritage – or the perfect gift for the person who has everything!**

**Hillworth Park is one of the most loved and well used open spaces within the town.**

Created from the private gardens of Hillworth House after World War 11, the park still retains much of its original character with a wealth of historic features and magnificent mature trees.

**Over the last 20 years** some aspects and facilities had fallen into decline, but now a comprehensive refurbishment project has been undertaken. This has been made possible by significant grant funding by Heritage Lottery and Big Lottery Funds, along with a substantial contribution by the Landfill Trust Fund and direct funding by Devizes Town Council

**For the project to deliver its full potential, further funds are needed** and it's hoped members of our community and users of the park will be able to give their support through sponsorship.

This sponsorship scheme provides local people with **a chance to be part of the future heritage of the park** with a range of sponsorship opportunities.

**Sponsorship could be the ideal gift** for those people who seem to have everything or alternatively a way to leave a permanent legacy for loved ones.

## **Sponsorship Options**

There are **four sponsoring options** available and each sponsor will receive a certificate of sponsorship and a personal invitation to the reopening event of the park.

### **1. Commemorative Benches**

**New classic 'Devizes' style benches** each fitted with a brass plaque bearing a dedication plus a certificate of sponsorship.

The ongoing maintenance of the bench is included within the sponsorship price.

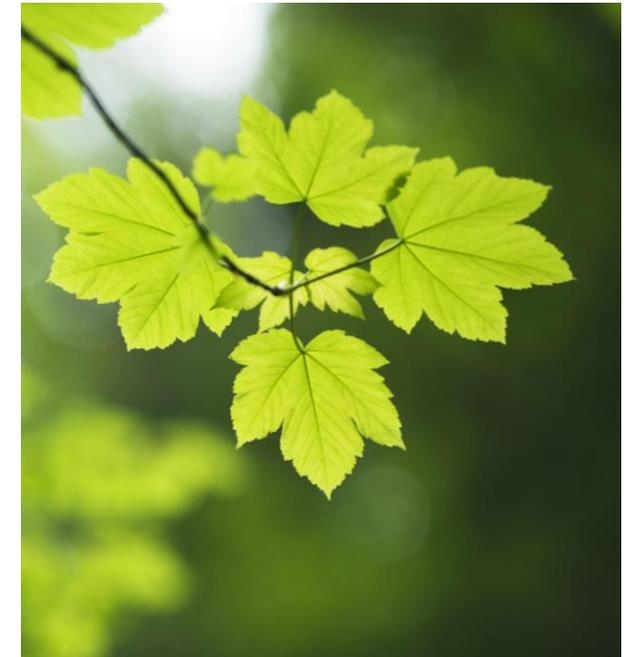

**Bench sponsorship is £500 per bench**

### **2. Trees**

**Dedicate a tree to someone special.** There will be a number of semi mature trees available for sponsorship.

All sponsorship of trees will be recognised on a **specially commissioned sponsorship plaque** located within the park plus a certificate of sponsorship.

**Tree sponsorship is £250 per tree**

### 3. Make Spring Special

**Sponsor a drift of bulbs** to make each spring in Hillworth Park really special. For each sponsorship 200 Spring flowering bulbs will be planted for which you will be recognised on a specially commissioned sponsorship plaque located within the park, plus a certificate of sponsorship.

**Bulb sponsorship is £50 per 200 bulbs**

### 4. Certificate of Sponsorship

We recognise that sponsoring a single item in the park may not be for everyone and therefore certificates of sponsorship will be available.

The certificate will acknowledge the name of the person in which the sponsorship has been made and all sponsorship money raised will be put towards the parks refurbishment.

**A certificate of sponsorship is £10**

#### Hillworth Park Sponsorship Form

I am interested in sponsoring...

\_\_\_\_\_ (no) Benches @ £500 each

\_\_\_\_\_ (no) Trees @ £250 per tree

\_\_\_\_\_ (no) 200 spring bulbs @£50
